Dear Livestock	and Seed Programs:				
			Particularity and the second		
Please do NOT	permit irradiated food	I to be served in	the National Sch	ool Lunch Progr <mark>a</mark> n	. Irradiated
food has not be	en proven safe to eat. range of health probl	It degrades th	e nutritional conte	ent of food, and res	earch has
merely masks fi	thy and inhumane me	cino in iaporato Pat processi <b>n</b> o	ry ammais macar Parenis deserve	e irradiated 1000. It the right-to-knows	hat their
children are eat	ing, but irradiated foo	d served in sch	ool cafeterias is r	ot required to be is	beled.
l strongly urge y	ou to keep irradiated	food out of sch	of lunches.
